A risk assessment was carried out by DW and GH. All agreed that warning signs informing users of the risks to them during a cricket match be installed. Quote £229.32. The Village Hall must also advise all bookings of the hall that there may be a risk of injury to them if they use the outside space.

GH

12. J11 Development – the development will go before North West Leicestershire District Council next year. Feedback from Gina (NMH Resident)(not NRSNMHPC) - No Man's Heath action group would like to meet with North Warwickshire Borough Council before they speak with NWLDC. The planning application has been amended to suit Highways England. Weigh restrictions are needed on NMH and NR roads. Lobbying needs to continue as Craig Tracey MP was initially in support of residents' concerns, but it's not clear what his current stance is. Gina spoke to the HS2 representatives as they seemed unaware that IM Properties development may take place at the same time as HS2 works begin.

13. Playing Field

i) **Cricket Pitch** – See item 11 above.

14. Grass Verge Cutting – Cllr. Cox asked whether all grass verges need to be cut as often as they are, as it can destroy bee habitats and poinators. Can DW ask County Highways if the Parish Council can have a say in which verges are cut and when? Verges on road junctions requiring a clear view would continue to be cut.
